

Be Part of the Neighborhood Association!

In Taketa City, local residents work together to create a community that is a pleasant place to live. Neighborhood associations are voluntary organizations that carry out such community activities. The neighborhood association engages in activities such as these.

Crime Prevention Activity and Disaster Prevention Activity.

Installation and maintenance of security street lights which protect the safety of residents on the streets at night. Neighbors are the one who could help you when unforeseen disasters (earthquake, fire, floods etc.) occurs. The neighborhood association conducts disaster preparedness and evacuation drills to ensure that appropriate support can be provided in the event of a disaster.

Here is the neighborhood association for the area where you live.

Here is the contact information for the neighborhood association president to apply for membership.

Beautification Activity.

In order to make our community clean and comfortable place to live, neighborhood association manage roads beautification and administration maintenance of garbage collection points which are necessary for everyday lives.

Social and Networking Activity.

We organize recreational activities that residents can freely join, fostering closer ties among them.

City Information.

Notices from the city hall and regional information are delivered through public relation magazines or letters pass along from house to house.

自治会に加入しましょう！

Be Part of the Neighborhood Association!

竹田市では、地域住民が協力して、住みよい地域づくりに取り組んでいます。こうした地域活動を担うのが、自主的な組織である「自治会」です。自治会では、次のような活動を行っています。

In Taketa City, local residents work together to create a community that is a pleasant place to live. Neighborhood associations are voluntary organizations that carry out such community activities. The neighborhood association engages in activities such as these.

防犯活動および防災活動

Crime Prevention Activity and Disaster Prevention Activity.

夜間の路上で住民の安全を守る防犯灯の設置・維持管理を行っています。地震や火災、水害などの不測の事態が発生した際、助け合えるのは近隣の住民同士です。そのため、災害時に適切な支援が行えるよう、防災活動や避難訓練を実施しています。
